

What benefits we would get from this Draft Act on Electronic Performance of Administrative Functions, B.E.

1. NO NEED TO WAKE UP EARLY

- We can make contact with the government, applying for licenses, or public services 24/7

2. NO (ENDLESS) QUEUE ANYMORE

- We can submit documents electronically, no need to hand in.
- We can request the officials for electronic notification and licenses sending, no need to travel to get it physically.
- Pay and receipt money online with valid electronic receipts.

3. NO COPIES ANYMORE

- Originals are enough, the officials must make their own copies and certify, free of charge.

4. NO NEED TO CARRY NUMEROUS CARDS, NO NEED TO HANG LICENSES

- We can display cards or licenses electronically for officials to inspect.
- State agencies must provide online channel for the people to verify.

***This Act shall apply to all government agencies which are not in legislative branch, judiciary branch, independent constitutional organization, public prosecutors organisation, and other agencies as specified in the Ministerial Regulation.
